EDUCATION

American International University - Bangladesh
Bachelor of Science in Computer Science and Engineering; GPA: 3.78

Dhaka, Bangladesh
Dec 2021 - Sept 2025

Mohammadpur Preparatory School & College
Higher Secondary Certificate; GPA: 4.75

Dhaka, Bangladesh
Feb 2018 - Jan 2020

EXPERIENCE

6sense Technologies
Backend Developer - Intern

Dhaka, Bangladesh
Nov 2025 - Mar 2026

- Developed an employee activity monitoring system using JavaScript, NestJS, and MongoDB, and contributed to the company's internal tools to enhance team productivity and streamline development while collaborating closely with senior developers.

American International University - Bangladesh
Teaching Assistant

Dhaka, Bangladesh
Feb 2024 - May 2024

- Assisted students to learn several theoretical topics of Data Structures and Algorithms (C++).
- Helped with implementation of algorithms and data structures source codes in the lab.

ACADEMIC PROJECTS

Fitness Tracker App
Web API (Health & Fitness Management System)

- Enhanced a full-stack backend system using ASP.NET MVC and 3-tier architecture (DAL-BLL-API).
- Implemented user registration, workout and goal management, and progress tracking features.
- Integrated token-based authentication & authorization, SMTP email notifications, and search/filter APIs.
- Utilized Entity Framework, AutoMapper, and SQL Server for data management and persistence.

Hospital Management System
Web Based Application

- This System is a web-based application designed to simplify hospital operations such as patient registration, appointment booking, doctor scheduling, and billing.
- The system offers a clean and user-friendly interface to improve efficiency and reduce paperwork.

Harmony
Desktop Application (Music Player)

- Implemented a desktop application using C# and .Net Framework.
- User can create Account and Add music from local storage and play music as a typical music player.

Problem Solving

Solved problems in C++ across platforms:

Codeforces ([maeedanim](https://codeforces.com/profile/maeedanim)), LeetCode ([maeed_anim](https://leetcode.com/maeedanim/)), CodeChef ([animmaeed](https://www.codechef.com/users/animmaeed))

SKILLS

- Languages:** C++, Java, C#, Python, HTML/CSS, JavaScript
- Database Management System:** MySQL, MongoDB, PostgreSQL
- Frameworks:** .Net Framework, ASP .Net, ExpressJS, NestJS
- Tools:** GitHub, VS Code, Visual Studio 2022, Jira, Trello, Postman, Hoppscotch,

Notable Awards

Dean's List of Honors

- A list of students recognized for academic achievement during a year by the dean (2022 - 2025) – American International University – Bangladesh

Cisco IT Essentials

- Achieved Cisco IT Essentials Certification (Cisco Networking Academy).
